### **STABLE NEWSLETTER APRIL-MAY 2010**

#### **NEWS:**

With the Victorian jumps racing situation deteriorating in all ways, Anthony and Beck have taken the huge decision to uproot and shift the stable to the UK.

This decision is obviously a very sad one, as it involves leaving behind owners that have supported us and to whom we owe a debt of gratitude. However the move also represents an exciting opportunity for the stable to flourish anew in fantastic facilities in the home of jumps racing.

A number of people have already expressed a desire to race horses (jumping and flat) with us in the UK, and we will be finalising partnerships over the next couple of months. To be a part of the action please contact Anthony by phone or email.

### LEADING JOCKEYS: (To 8/6/10)

LEADING JOCKEYS 2009-2010	Firsts	Seconds	Thirds	Fourths
Craig Durden	1			2
Eddie Cassar	1			
Mark Pegus		1		
Reece Wheeler			1	1
Craig Robertson			1	
Danny Crozier			1	2
Brian Harding (UK)				1

Mark Pegus and Irish rider Brian Harding have slid onto the honour-board due to stylish debut rides for the stable, while Danny Crozier has followed up some hard work at the jumps trials by finishing in the minor money on Sea Town.

### HORSES IN TRAINING:

With our move to the UK already announced, and a couple of horses suffering recurrence of injuries, our numbers are gradually reducing. However, the stable remains a big chance of quitting Australia on a winning note!

SEA TOWN 4yog Ladoni (GB) – My Kind of Town (NZ): Loving his jumping and looks like he could make his mark now he is qualified as a steeplechaser, especially over the hedge fences at Casterton.

*Sea Town in action at Warrnambool*

STORMING NORTH 3yog Giants Causeway (USA) – Reem Albaraari (GB): Finally up to racing now, although as a backward type who always remains switched off at home, Storming North is likely to need his first couple of runs.

ELJOBONN 4yom El Moxie (USA) – Bonny McGinty (NZ): Looked to have the race won on her debut for the stable at Ballarat, just getting rundown in the final 50 yards by a very smart performer. Every chance of going one better very soon.

EDGE OF DESTINY 2yoc Galileo (Ire) – Reggae (Ire): Beautifully well-mannered, and easy going, this lad looks likely to make his mark as a 3yo, especially racing over some ground. However, he should debut for the stable soon and so get some race-day experience.
